Hawaii State Ethics Commission
1001 Bishop St.
Honolulu, HI 96813

I am Carroll Evans Cox I reside in Mililani, Hawaii. I am the founder and president of EnviroWatch Inc. I am also owner and producer of THE CARROLL COX SHOW. The show airs live on Sundays 8-9 am on the radio dial at 1080 AM. I am submitting this letter to request that your office investigate the travel, acceptance of gifts and the reporting of the gifts by Hawaii's Senator Norman Sakamoto. More specifically, Senator Sakamoto accepted "over \$1000" from the Moanalua Gardens Missionary Church, an organization based in Hawaii.

I believe that the purpose of the travel and gifts does not meet and is in direct conflict with the thresh hold for conditions established in the State of Hawaii's Code of Ethics. The gift Senator Sakamoto accepted and reported exceeded the \$200.00 limit and he also failed to accurately report the exact amount. Again, I am respectfully submitting this letter to memorialize my formal request to have the Hawaii State Ethics Commission investigate this matter. I also believe that the nature of the travel and the participation in the religious conference did not benefit the people of the State of Hawaii and served only to personally benefit Senator Sakamoto and his religious organization, and violates the separation of church and state.

I urge you to review some of the proof to my allegations on my website at www.carrollcox.com.

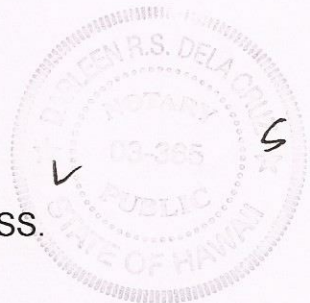

My contact information is 808-782-6627, P.O. Box 89-4202, Mililani HI 96789.

Carroll E. Cox
