Subject Re: DOCARE Admr 

Russell,

Annette is going to work on the memo with Holly. She'll put the salary level as blank for now.

Commander Mark Young has received and accepted a qualified offer. The qualification is that (1) he passes the physical and background law enforcement check, (2) he's released by his employer on a workable timetable for us, and (3) we agree on the pay.

Annette has sent him all the employment forms. I am holding off negotiating his salary until I get the green light from his employer.

I'm going to separately send you an email and cc the USCG people you need to call next week. They are doing the final research on whether he can take a second job with DLNR as our Enforcement Chief while he's working for the USCG. So far it's looking pretty good. If we get the final OK from them, I'll call Mark and negotiate a salary and start date.

He will work part time beginning as soon as we can get him into the seat.

All this is confidential until we get approval from his commanders. Everyone in DOCARE knows because they gossip. But nothing is coming from Chair's Office until it's final.

Subject DOCARE Admr

Laura:

Know your plate is full - sorry..... Sent back list to DHRD with the selection for the Admr indicated. This action commits the position. However, still waiting on info from you as to dollar rate and justification for such rate (see below). That still has to be approved by DHRD. We'll take care of the DHRD form if you can provide the info. Thanks.
