Barry and Chuck,

Thank you for agreeing to accommodate Jim Quinones and Warren Vidinha to invite their spouses to visit the McNeilus factory. It means a lot to the Refuse Division because these two employees are very appreciate of showing their wives where refuse collection trucks are manufactured. The names of the four traveling to the factory are:

- James Quinones
- Marlene Ann Quinones
- Warren Edward Vidinha
- Althia Kuuipo Vidinha

Jim and Warren understand that they will be paying for the airfare for their wives. I will have them to send a check to you when the amount is determined. Please have your travel agent to call Jim at 808 † whom will discuss the flight dates and departure times with your agent. He will speak for the four of the traveling party. They do not necessarily have to travel with Chuck as Jim will be able to get them from the airport to the hotel via the hotel shuttle. Please book them at a hotel that close is to the Mall of America and has a shuttle service to the Mall.

Also, there is a train the has the Mall of America as a terminal. Please find out whether that train has a stop where the Minnesota Vikings play their home games. Thank you.
Dave.
